BOON

First Harvest Bounty

The first harvest looked modest at dawn. By midday the bins were fuller than any careful count had promised, and by evening the streets carried the scent of bread, broth, and relief. Each shared basket made the settlement feel less temporary.

I

Farm Production this round: gain +1 Food each time.

II

First 2 Farm Productions this round: gain +1 Food and +1 Goods each time.

III

Farm Production this round: gain +2 resources each time; choose Food or Goods.

Pickaxe Reveals Passage

After weeks of patient strikes, the stone gave way. The miners returned grey with dust and pride, bearing news of a passage veined with promise. In the ledger I marked the day the old depths exhaled, and the settlement listened.

I

Mine Production this round: gain +1 Stone each time.

II

First 2 Mine Productions this round: gain +1 Stone and +1 Metal each time.

III

Mine Production this round: gain +2 resources each time; choose Stone or Metal.

BOON

Ancient Paths Reopen

The foresters took only what the woodland could spare. Under bramble and leaf mould, old paths began to show themselves again: game trails, hidden groves, and turns once thought lost. Each discovery suggested the forest might recover its rhythm beside us.

I

Forest Production this round: gain +1 Wood each time.

II

First 2 Forest Productions this round: gain +2 Wood each time.

III

Forest Production this round: gain +2 resources each time; choose Wood or Food.

BOON

Rain Brings Bounty

Rain held the Vale quiet for a day and a night. When the clouds cleared, moss had thickened, herbs had risen, and wounded soil answered with green abundance. Water that once barred the way had, for once, become provision.

I

Wildlands Production this round: gain +1 Herbs each time.

II

First 2 Wildlands Productions this round: gain +2 Herbs each time.

III

Wildlands Production this round: gain +2 resources each time; choose Herbs or Food.
