Help Stands

Help remained where others might have moved on. By evening, the damage there had begun to resemble a place of repair rather than a place of loss. Steady presence can alter the shape of trouble.

I

Each tile with one or more Steward Tokens: remove 1 Strain. If it had no Strain, gain 1 resource of your choice instead, max 2 total.

II

Each tile with one or more Steward Tokens: remove 1 Strain. If it had no Strain, gain 2 resources of your choice instead, max 4 total.

III

Each tile with one or more Steward Tokens: remove 1 Strain. If it had no Strain, gain 3 resources of your choice instead, max 6 total.

Stores Ready

The stores were not plentiful, but they were dry, counted, and well organised. Each provision had a place, and each place had a record. Order prevented the first edge of crisis from finding purchase.

I

Exchange up to 2 Warehouse resources for the same number of resources of any type.

II

Exchange up to 4 Warehouse resources for the same number of resources of any type.

III

Exchange up to 6 Warehouse resources for the same number of resources of any type.

BOON

Raised in Season

The report of swift progress sounded unlikely until the work itself confirmed it. Fair weather, clear purpose, and enough willing hands had achieved what no single planner would have promised.

I

Next Core Tile upgraded: reduce its upgrade resource cost by 1 resource of your choice.

II

Next Core Tile upgraded: reduce its upgrade resource cost by 2 resources of your choice.

III

Next Core Tile upgraded: reduce its upgrade resource cost by 3 resources of your choice.

Welcome Well Met

Doors opened, and the arrivals answered with care of their own. A phrase repeated at the threshold, a gesture offered without demand, a cup placed before a question: these became customs before anyone named them.

I

Next Arrival completed: reduce its resource Requirement by 1 resource of your choice.

II

Next Arrival completed: reduce its resource Requirement by 2 resources of your choice.

III

Next Arrival completed: reduce its resource Requirement by 3 resources of your choice.
