BURDEN

Tools Left to Rust

A tool unused becomes another thing to mend. Good blades dull orange, handles split, and hinges stiffen with neglect. Waste is quieter than theft, but it robs the settlement all the same.

Remnants of the Fleet

A river vessel arrived patched with timber from forgotten ports and ruined warships. Once ashore, its crew unloaded strange cargo and studied the banks with practised eyes. They spoke not of raids, but of trade, crossings, and quieter journeys.
